SUJET n° 1

Situation: The "National Day of Arts In Care Homes" (#AICH) is an annual event which takes place in September. It is dedicated to promote art activities and events for senior residents in care homes across the United Kingdom.

Imagine you work in a British care home and that you have been asked to organize an art project to celebrate the next "National Day of Arts In Care Homes" in September 2022.

Your tasks:

Describe 3 different art activities that you could propose to senior residents (see documents 1, 2 and 3). Give important information and details on the organisation of each activity. The place, the participants, senior residents and care givers, the supplies, what the residents do ...

Explain the benefits of these activities for senior adults, especially those who suffer from dementia and Alzheimer's.
