# KIDS ON STRIKE!

Susan Campbell Bartoletti

THE SIBERT MEDAL-WINNING AUTHOR OF *BLACK POTATOES*

1929-30

Shall  
Children  
Be Exploited  
In  
New Jersey?

"There should be no child in America that is not born and does not live under sound conditions of health; that does not have full opportunity of education from the beginning to the end of our institutions; that is not free from injurious labor; that does not have every stimulation to accomplish the fullest of its capacities."

Herbert Hoover.

## LAD FELL TO DEATH IN BIG COAL CHUTE

Dennis McKee Dead and Arthur Allbecker Had Leg Burned In  
the Lee Mines.

Wilkes-Barre  
news  
Jan 7-1911

Falling into a chute at the Chaudrey colliery of the George S. Lee Coal Company at Avondale, this afternoon, Dennis McKee, aged 13, of West Nanticoke, was smothered to death and Arthur Allbecker, aged 15, had both of his legs burned and injured. Dr. Bissell, of Plymouth, was summoned and dressed the burns of the injured boy.

He was removed to his home at Avondale.

Both boys were employed as breaker boys, and going too close to the chutes fell in. Fellow workmen rushed to their assistance and soon had them out of the chutes. When taken out, McKee was found to be dead. His remains were removed to his home at West Nanticoke. Allbecker will recover.
